I am the cheese, and I have taken a brief reprieve from my state up to this point - That is, being glued to the television watching Speedweeks 2011. And man, the only thing as good as Speedweeks might just be not only Saki, but HISA KICKING ASS, AND TONS OF IT. This chapter was AWESOME! - As in "indubitably, absurdly, 'Guile Theme is now playing in your head manually' " awesome

I think my favorite things about this match in particular is, in comparison to the two previous matches, how dynamic the interactions between the characters are. Hiroe talks a big game, can back it up, and manages to get into Hisa's head, Kurumi's interactions with Hiroe and her expressions in general are all kinds of funny, Hisa needs no explanation, and Haru... Man, whoever thought that Haru was going to be a powerful opponent, as the end of this chapter foreshadows?! What a twist!

Anyway, it's time to take a breather for a month, and the next chapter will come out March 4th. In the meantime, y'all best be watching the Daytona 500. Do it for me, won't you?

(edogawaconan errata credits ch 77 it's Kaiji second season, not Akagi. Sorry for confusion)

welcome our new typesetter, PhilHarmonic. He typesets fast. Really fast. The result is also good. I should've given him the job since last week or more so the delay wouldn't be this long. Also, I suck at mahjong.

Iamthecheese:
As many of you know, the nation of Japan has been devastated by an Earthquake and Tsunami, and has been confounded by several accidents at Nuclear Power Plants. Here at Anime-RG, our thoughts and prayers are with the Japanese people and everyone affected by this disaster.

To support the ongoing relief efforts, and to help save lives, you can make monetary donations to the American Red Cross/IFRC (Among other organizations), as well as partake in donating blood. If you aren't in a position to do either of these, the simple act of prayer or the passing along of your best wishes are more than enough to help alleviate the suffering that is being experienced by so many people, even if only just a little.

We humbly ask you, our readers, to do anything that you can to assist those in need in this time of crisis. Thank you all very much.

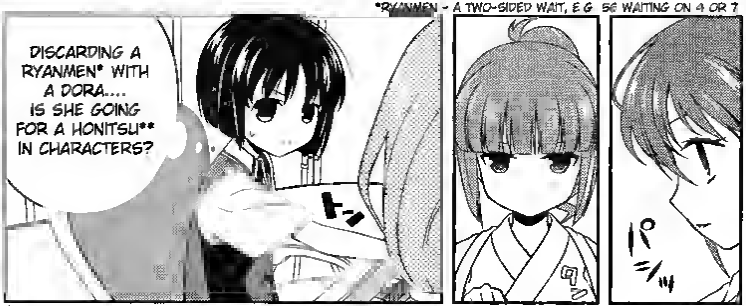
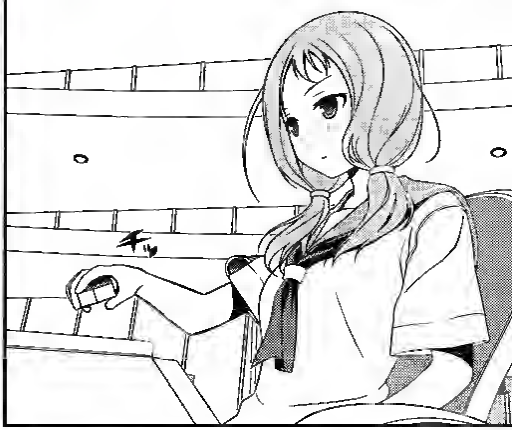
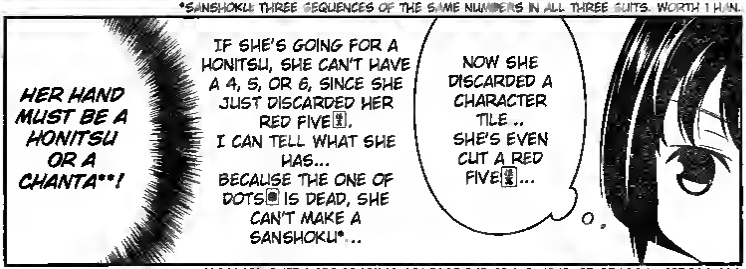
*RYANMEN - A TWO-SIDED WAIT, E.G. 56 WAITING ON 4 OR 7



**HONITSU - A HAND WITH TILES IN ONLY ONE SUIT PLUS DRAGON OR WIND TILES WORTH 2 HAN

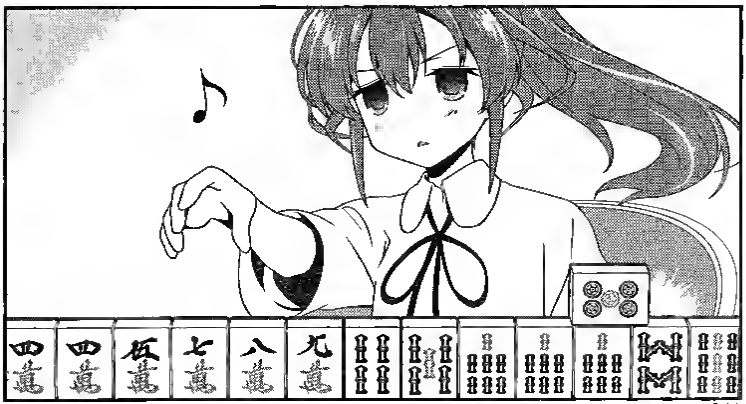


*SANSHOKU: THREE SEQUENCES OF THE SAME NUMBERS IN ALL THREE SUITS. WORTH 1 HAN.

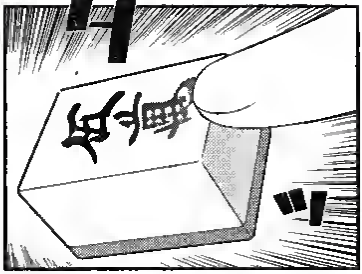


HER HAND MUST BE A HONITSU OR A CHANTA**!
IF SHE'S GOING FOR A HONITSU, SHE CAN'T HAVE A 4, 5, OR 6, SINCE SHE JUST DISCARDED HER RED FIVE.
I CAN TELL WHAT SHE HAS... BECAUSE THE ONE OF DOTS IS DEAD, SHE CAN'T MAKE A SANSHOKU*...
NOW SHE DISCARDED A CHARACTER TILE .. SHE'S EVEN CUT A RED FIVE...

**CHANTA: EVERY SET CONTAINS AT LEAST ONE OF 1, 9, WIND, OR DRAGON. WORTH 1 HAN.

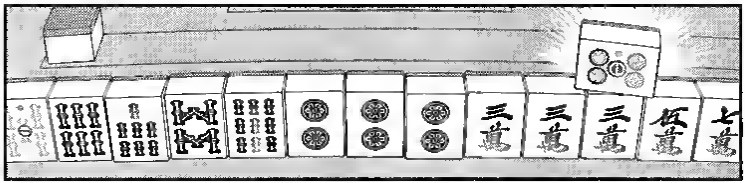


HIMEMATSU DISCARDED HER FIVE WITHOUT HESITATION...

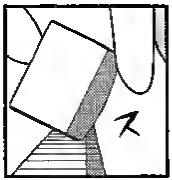


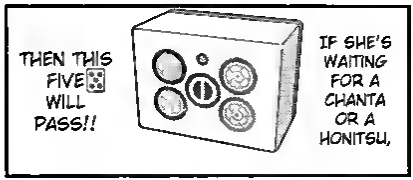
……?

I CAN'T CALL...
SORRY.

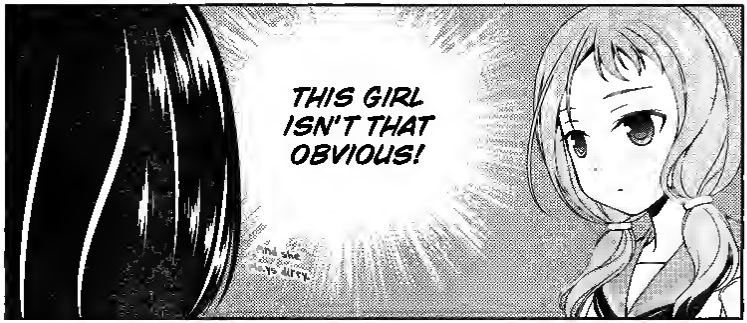


BUT WAIT!

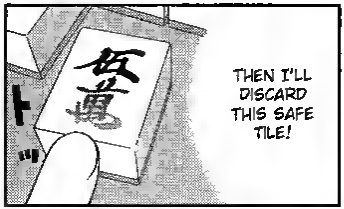




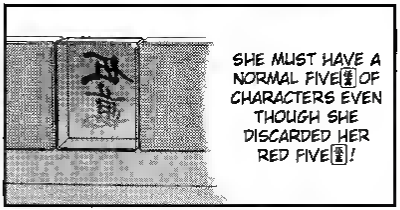
THEN THIS FIVE WILL PASS!!
IF SHE'S WAITING FOR A CHANTA OR A HONITSU,



THIS GIRL ISN'T THAT OBVIOUS!
Did she say something?



THEN I'LL DISCARD THIS SAFE TILE!



SHE MUST HAVE A NORMAL FIVE 萬 OF CHARACTERS EVEN THOUGH SHE DISCARDED HER RED FIVE 萬!
